

## Garment Packaging Supplies

The packaging team LLC is an importer, supplier and distributor of two separate product categories: Retail Packaging and Gift Supplies for the retail trade and Shipping & Packaging Supplies for all industries. Products from both categories can be combined for dollar volume discount promotions. Shipping costs are separate for each category as they are shipped from different locations.

We want to contribute to the success of your business buy providing exceptional service along with packaging your customers will appreciate. We can do this at great savings, which goes right to your businesses bottom line!

### Solid Tints Kraft Merchandise Bags from Stock

Our Printed Kraft Merchandise Bags are made with high quality kraft paper. Proudly made in the USA from 100% recycled Kraft fiber. Bags are case packed not bundled. Paper bags are perfect for in-store purchases from gift cards to clothing.

At the top of our bag sizes is a list of colors. Please don't forget to choose the color or print you want after you choose your bag. In the case of orders for multiple size bags in different colors, choose your 1st bag size then color, and so on. Or simply call us to place your order. 781-586-0041

### Copper

Crinkle Cut Shred requires no fluffing and manipulating. In one clean motion, a gift packer grabs the appropriate amount of shred and fills up the container, and since you don't need

to pull at it to puff it out, Crinkle shred creates little-to-no dust, leading to faster packing and a much cleaner workplace.

### Loose Fill Dispensers

Squeeze the spring-loaded scissors to release the right amount of peanuts.

Includes rope and 2 pulleys.

Mounts to warehouse ceiling.

Durable, rot resistant canvas bag has reinforced flexible tubing attached. Dispenses all types of loose fill.

Minimum ceiling height is based on a 30" high packing table with a 24" working area between the table and the scissor valve.
